NOTICE TO THE PUBLIC

We wish to welcome you to the Sheffield-Sheffield Lake Board of Education Meeting. Please be advised that tonight's meeting may be videotaped for presentation on cable. This agenda copy is provided for your convenience.

Each Board member receives his agenda and an abundance of informational material well in advance of each meeting. He, individually, has had the opportunity to study each item and to ask questions of school personnel.

The Board meeting is for the purpose of conducting public business and is not designed to be a public forum. Your questions and suggestions, however, are most welcome.

In general, all comments and questions should be brought to the attention of the school's administration. In most instances problems can be settled in this manner.

Please fill out the forms available should you wish to address a comment to the Board of Education. A place on the agenda has been provided for this purpose. In addressing the Board, state your name and address. Please keep your comments short and to the point.

The Board will gladly accept your suggestions and requests and will try to answer your questions when possible. Most often, however, action will be deferred to a subsequent meeting in order to allow time to thoroughly study your input.

Board of Education Goals for 2009-10

1. To continue to improve the district report card.
2. To complete the district master facility plan and general facility improvements.
