

Kindergarten Spring Music Program

This year, the kindergarten classes will be presenting a spring music program. This program will include songs and movement activities to demonstrate the musical skills we have been working on throughout the year. All our students have been working extremely hard on the music and we are excited to share it with you. Below you will find all information needed for the program. If you have any questions, please feel free to contact me at afurio@sheffieldschools.org. We hope to see all of you there!

Sincerely,
