ARTICLE I – RECOGNITION

- A. The Board shall recognize the Sheffield-Sheffield Lake Teachers Association, an OEA/NEA affiliate, as the exclusive representative for the purposes of collective bargaining as defined in Chapter 4117 of the Ohio Revised Code. The bargaining unit shall include all full or part-time certified teaching staff, including all classroom teachers K-12, Special, Vocational, guidance counselors, librarians, full-time substitutes, long-term substitutes, psychologists, tutors, social workers, head teachers, athletic directors (if teacher), curriculum leaders, and other similar certified positions. Excluded from the bargaining unit are the Superintendent, Principals, Assistant Principals, Athletic Director (only if full-time supervisory and hired under administrative contract with §3319.02 O.R.C. certification), Special Education Supervisor and other administrative positions with certification covered under Sections §3319.01 or §3319.02 O.R.C. The Board agrees to inform the Association of available positions in Summer School and, if possible, Driver’s Education.
- B. Except as expressly delineated otherwise herein, the term “days” shall be counted as days on which the Administrative Center is open (as defined in the official school calendar) excluding Saturdays, Sundays, holidays, Christmas and spring break.

ARTICLE II – COLLECTIVE BARGAINING

- A. The Sheffield-Sheffield Lake City School District Board of Education, hereinafter referred to as the “Board”, recognizes the Sheffield-Sheffield Lake Teachers’ Association (OEA/NEA), hereafter referred to as the “Association”, as the sole and exclusive bargaining agent for all certified professional personnel in the School District eligible for membership in the Association.
- B. Either the Association or the Board may initiate negotiations by letter of submission forwarded to the other party one-hundred twenty (120) days prior to expiration of the Agreement. Within ten (10) working days of transmittal of said submission letter, the parties shall schedule their first negotiation session. At any negotiation session, either party may be represented by no more than six (6) representatives and two (2) observers.
- C. If, by sixty (60) calendar days after the first negotiation session, agreement has not been reached on all items of negotiation or if impasse has been declared, either party may call for the services of the Federal Mediation and Conciliation Service to assist in negotiations. If a party calls for mediation involvement, the other party shall join in a joint request.
- D. The Association President and the negotiating team shall be granted release time to attend all mediation sessions if the mediator decides that they must be scheduled during the school day. The cost of this release time shall be borne by the Board.
- E. The Board and the Association agree that the aforementioned Federal Mediation procedure shall supersede all other dispute settlement procedures contained in O.R.C. Section §4117.14. For the duration of the Agreement, the Association shall not engage in

a strike against the Board. The Board recognizes the right of the bargaining unit to strike after said Agreement expires and under O.R.C. Section §4117.14 provided that all proper notice has been given under this Section.

The Board and the Association may mutually agree to alternative forms of negotiations. Specific rules and procedures for alternative forms of negotiations must be developed and mutually agreed upon.

ARTICLE III – TEACHERS’ RIGHTS

A. Orientation for New Teachers

The Board may require new teachers to report for a new teacher orientation day, in addition to the regular one hundred eighty-four (184) day teacher calendar. If a new teacher is required to report, the teacher shall be paid their pro-rated per diem rate.

B. Personnel Files

1. Each teacher shall have the right to examine and to obtain certified copies of all material contained in his/her personnel files with the exception of confidential references used in conjunction with and prior to his/her employment. The official personnel file is considered to be the file maintained in the central office. The building principal, assistant principal and the Director of Special Education/Pupil Services may maintain a separate file. These individuals shall not maintain material in their file that is not in the personnel file in the central office. The Administration shall be responsible for certifying that all material included in said files has been copied. The cost of the copies will be charged to the respective personnel. Only one (1) official personnel file shall be maintained for each teacher.
2. All teachers shall receive, at Board expense, a dated copy of all new material placed in their file (positive or negative). These copies shall provide space for the teacher’s signed acknowledgement of receipt. The teacher shall have the right to rebut or provide written comments in response to any information in the file. A teacher shall be notified of any request to review the teacher’s personnel file.
3. If an administrator files a deficiency report against the teacher, said administrator shall be responsible for indicating the necessary corrective action. The teacher may subsequently request that the administrator review his/her performance, and if the administrator believes that appropriate corrective action has been accomplished, the deficiency report shall be removed. Anonymous letters or material shall not be placed in a teacher’s file, nor shall they be made a matter of record. Upon request of a teacher, the Superintendent may remove disciplinary documents from the teacher’s personnel file after six (6) years, provided the teacher has not committed a new infraction within that time period.

4. The teacher shall be permitted to review the contents of the teacher's file at all reasonable times and may be accompanied by an Association representative.

C. Reimbursement for Itinerants

Itinerant teachers shall be compensated for travel between buildings at the IRS rate.

D. After Hour School Functions

With the exception of faculty meetings, the annual Open House, and parent/teacher conferences (as adopted by the school calendar), teacher participation in after hour functions shall be voluntary. Unless mutually agreed upon, Open House will be scheduled on or after the first teacher workday of the school year.

E. Use of Telephones

Teachers shall have the right to use phones prior to the start of school, at lunchtime and after school when phones are not being used for school business. Phones, with a list of emergency numbers available, shall be provided in a private place when teachers are in the building. The Board shall make provisions for staff members to receive emergency calls.

F. Complaints from Public

If accusations are made against any member of the certified staff by a member of the public, it is the responsibility of the Administration to investigate such charges. It is also the Administration's responsibility to protect the certified employee through the following procedural steps:

1. Prior to imposing discipline and/or concluding an investigation involving individuals other than administrative personnel, the certified employee shall be informed and given the opportunity to present his/her side.
2. Upon the initiation of the investigation, the accuser, the certified employee or the administrator may request a meeting of all parties involved. If any of the parties agree to meet, a meeting will be arranged at a time convenient to the attendance of those persons who agree to meet. A resume of the conference will be completed and forwarded to the Superintendent of Schools and the certified employee.
3. Upon completion of the investigation, if the administrator reduces his findings to writing, he shall submit them to the certified employee and allow an opportunity for a written rebuttal to be attached to all copies of this investigation report. If no written findings are issued, the matter shall be considered closed and no further reference to the matter shall ever be made.
4. If the certified employee is not satisfied with the written findings of the investigation, he/she shall have the right to appeal to, and have a conference with, the Superintendent.

5. If the certified employee is not satisfied with the results of the Superintendent's appeal, he/she will have the right to an appeal to, and a conference with, the Board of Education.
6. At each level of these meetings, the certified employee may be accompanied by legal counsel and/or representation of his/her choosing. These conferences shall be private.
7. Nothing in this procedure shall be construed to waive any rights conferred under O.R.C. Chapter 1347.

G. Policies of the Board of Education

The official policies of the Board shall be maintained on the School District's website. A copy of newly adopted or amended policies shall promptly be furnished to the Association.

H. Safe Working Conditions

1. Employees shall not be required to work under unsafe or hazardous conditions or to perform tasks, which endanger their health or safety. Any employee shall report such a condition to the Superintendent or his designee, who shall conduct an investigation and determine whether or not such a condition exists.
2. If the employee(s) disagree with the results of the Superintendent's investigation, then the employee(s) have the right to request through the Superintendent or designee who shall immediately call an outside agency of appropriate jurisdiction to determine whether unsafe or hazardous conditions exist. If this agency determines that unsafe or hazardous conditions exist, then the Superintendent shall take the appropriate action to assure the safety of all persons. Any employee affected by these unsafe or hazardous conditions shall be reimbursed and made whole for any loss in pay, benefits or leave days.
3. When buildings are closed because of emergencies, unsafe or hazardous conditions, employees shall suffer no loss in pay. Employees shall not be required to make up the first eight (8) calamity days or hourly equivalent. Any calamity day(s) above eight (8) shall be made up at the discretion of the Superintendent. Teachers will not receive any additional compensation for make-up days. The Board may add school days, and corresponding employee workdays, or hours if necessary to meet Ohio minimum requirements for a school year.
4. Tonic-Clonic Seizure Plan

A school nurse will conduct an in-depth training for bargaining unit volunteers that are willing to assist with a student experiencing a tonic-clonic seizure and to participate as part of a crisis response team. Such training shall include instruction on the administration of medication prescribed to students enrolled in the District. Upon completion of the training, the bargaining unit volunteers shall

be awarded a certificate of completion from a school nurse, signed by the bargaining unit volunteer's principal and the Superintendent.

Multiple staff members will take part in the training, including the District principals, assistant principals, Director of Special Education/Pupil Services, and bargaining unit volunteers. Only staff members who have received such training are authorized to administer to a student a medication prescribed for the student.

The administering of medication to students shall be conducted in accordance with Sheffield-Sheffield Lake City School District Board Policy, specifically including, but not limited to the following:

- JHCD: "Administering Medicine to Students"
- JHCD-R-1: "Administering Medicine to Students"
- JHCD-R-2: "Administering Medicine to Students (Use of Asthma Inhalers)"
- JHCD-R-3: "Administering Medicine to Students (Use of Epinephrine Autoinjectors)"

When a student experiences a tonic-clonic seizure, the Board and/or its designees shall follow these procedures:

- a. The staff member in direct supervision of the student experiencing the seizure shall identify the onset time of the seizure, call 911, and contact the administrative office of the school building for assistance. The office assistant shall immediately contact the school nurse and building crisis response team to assist the staff member. The office assistant shall next contact the parent, guardian or other person having charge of the student and request that he/she report to the student's school building.
- b. The staff member in direct supervision shall remove any obstacles near the student which may cause injury to the student while he/she is experiencing the seizure.
- c. The student's seizure medication shall be procured by the nurse when he/she responds to the seizure. If the nurse is unavailable, the following staff members shall be contacted in the following order, until one of them is successfully reached: 1) assistant principal; 2) principal; and 3) Director of Special Education/Pupil Services. If none of these staff members can be contacted, a bargaining unit volunteer member of the crisis response team shall be contacted. The staff member first reached shall be considered the primary responder and shall procure and administer medication to the student, if necessary, in accordance with the student's prescription. Should paramedics arrive on the scene before the primary responder has administered medication to the student, the primary responder shall give the medication to the paramedics to administer.

- d. If the parent, guardian, or other person having charge of the student experiencing the seizure is not present at the scene of the seizure and paramedics remove the student from the school building, a member of the crisis response team shall accompany the student to the hospital or his/her home.
- e. Those staff members, including bargaining unit volunteers, who have been authorized under this policy and who administer the medication and who have a copy of the most recent statement required by O.R.C. Section §3313.713 prior to administering the drug, will not be liable for civil damages which may be incurred as a result of administering the drug, unless such person acts in a manner that constitutes gross negligence or wanton or reckless misconduct. Further, such persons and/or the activities of such persons pursuant to this policy will be added to the District's liability insurance policy.

5. Special Medical Needs of Students

If any student with special medical needs is assigned to a teacher's classroom, to the extent permitted by law, as soon as possible after the administration is made aware, the teacher shall be notified of the student's medical issues. A written plan detailing established protocol to accommodate the student's medical needs will be developed as soon as possible. The written plan shall include information regarding appropriate personnel to provide student medical care.

Except as established in Section 4 above, if a student with special medical needs is placed in a teacher's classroom, the teacher will not be required to, in routine, non-emergency situations, administer medication or perform medical or quasi-medical procedures (e.g. tube feeding, catheterization, check blood sugar levels, etc.). If a student with life-threatening special needs is assigned to a teacher's classroom, the teacher will be provided adequate training by a licensed healthcare professional regarding emergency care. The District shall indemnify and hold harmless from any liability any teacher administering medical care when an emergency arises.

- 6. Other facility concerns should be addressed under Article IV, Section(s) F and/or J.

I. Staff Facilities

- 1. Each building will have a designated parking area for all teachers.
- 2. Itinerant teachers will have a designated lockable place for storage and organization of personal and classroom materials.

ARTICLE IV – ASSOCIATION RIGHTS AND PRIVILEGES

A. Use of School Buildings by the Association

The Association and its representatives will be afforded the professional courtesy of having access to the use of school buildings, when not in use, without cost for their meetings. “Building request forms” for building use will be submitted to the building principal for approval.

B. Use of Equipment

The Association shall have the right to use any of the school office machines, if not in use. The Association agrees to pay for any damages to said equipment resulting from the Association use. The Association shall provide all of its own supplies for use in conjunction with this equipment.

C. Bulletin Board Usage

Bulletin board space shall be made available in each building for the general use of the Association. Such space shall be located in an area readily accessible to and normally frequented by the teachers. Only those materials approved by the Association may be posted.

D. Mail Box Service

The Association shall be authorized to use the teachers’ mailboxes and school e-mail accounts for the dispersal of Association material. A copy of material placed in these mailboxes for general distribution shall be given to the building administrator. Care should be given that mail or documents that include Social Security numbers, addresses, phone numbers or salary information be treated as private and confidential and handled in a discreet manner.

E. Use of Mail Carrier

The Association shall be authorized to use the Board’s intradistrict mail service for the distribution of Association materials.

F. Time and Faculty Meetings

Representatives of the Association shall have the right to make announcements during the school faculty meetings at a place on the agenda designated by the building administrator. These announcements shall not interfere with the meeting agenda nor will the time of these announcements be counted in any time limits imposed upon meeting length.

The SSLTA building representatives shall discuss the agenda with the building principal prior to the faculty meeting.

G. School Board Agenda

For each Board meeting, the Association shall receive an advance copy of the agenda and all attachments pertaining to certified personnel and other District-wide issues except those of a confidential nature as determined by the Superintendent. Such agenda shall be sent to the Association by email at the same time it is sent to the Board. A representative of the Association shall be permitted to address the Board during the Board meeting prior to the Board's opening discussion to other representatives of the public, not to exceed ten (10) minutes. The Board will email minutes of Board meetings to the Association after approval of the minutes.

H. New Teacher Orientation

The Association shall have the opportunity to participate in the opening in-service day including speakers for the sole purpose of greeting new faculty members and informing them of the opportunities available to them through joining their professional association.

I. Continuing Membership

1. When a teacher's Association membership continues automatically from year to year, the Treasurer shall honor a single written authorization from that teacher for payroll deduction of professional dues, unless and until that authorization is revoked by the teacher, in writing, prior to October 1, of a given membership year.
2. On or before October 1st of each school year, the Association shall provide the Treasurer with an alphabetized list of members and amounts per person with signed authorization forms attached, for new members and non-continuing members. Payroll deductions for dues in the Association shall be made in at least twenty (20) consecutive equal payments. This arrangement may be changed upon mutual and written agreement of the parties.
3. In the event an employee severs employment or cancels their membership outside of the cancellation period defined in Item 1 above, the District Treasurer shall deduct all owed and remaining dues from the employee's next check immediately following such notification.

J. Joint Administrative/Association Meetings

A Labor-Management Committee (LMC) shall be established for the express purpose of discussing concerns of either party. At the start of each school year the SSLTA President, or designee and the Superintendent or designee shall establish a schedule of monthly LMC meetings. Additional meetings may be scheduled at the request of either party.

The LMC shall consist of the SSLTA President or designee and two (2) SSLTA members, appointed by the SSLTA President and two (2) administrators, appointed by the Superintendent, and the Superintendent or designee.

The SSLTA President or designee and the Superintendent or designee shall jointly prepare a tentative agenda for each meeting. These meetings shall not be utilized for purposes of negotiations nor the adjudication of grievances. Prior to placement on the agenda, an issue affecting one specific building must first be discussed with the building principal in an effort to resolve the issue.

The SSLTA President and Superintendent shall be permanent members of the LMC. Either party may have individuals in attendance at the meetings as consultants and/or experts for specific topics under discussion.

Minutes of each LMC meeting shall be prepared, approved by the LMC and shall be made available to all administrators, Board of Education members, and bargaining unit members. If a scheduled meeting is postponed, such meeting shall be scheduled within five (5) school days of the original date, except in the case of calamity days.

K. No Reprisals

There will be no reprisals of any kind taken against any teacher by reason of his/her membership in the Association or participation in any of its legal activities.

L. Right of Access for Association President or Designee

Duly authorized representatives of the Association and its affiliates may transact Association business on the Board's property any time before, after, or during the regular work day; provided that such business shall not interfere with the assigned duties of the employee.

M. Printing and Providing Copies of the Agreement

The Administration will provide this Agreement in electronic format to all professional staff members at the time of this Agreement, or at the time of employment, whichever shall occur later.

N. Fair Share Fee

This section is null and void as a matter of law based on the Supreme Court decision in Janus/AFSCME, Council 31,585 U.S. (2018) and will not be implemented but is preserved should the law change in future years.

1. The Board agrees to automatic payroll deduction, as a condition of employment, of a fair share fee amount as designated by the Association from all bargaining unit members who elect not to become members of the Association, or who elect not to remain members.
2. The Treasurer of the Board shall, upon notification from the Association that a member has terminated membership, commence the check-off of the fair share fee with respect to the former member, and the amount of the fee yet to be deducted

shall be the annual membership dues less the amount previously paid through payroll deduction.

3. Payroll deduction of such fair share fee shall commence with the first payroll on or after January 15th of each school year.
4. Dues rates and fair share fee rates shall be transmitted by the Association to the Treasurer of the Board for the purpose of determining amounts to be payroll deducted, and the Board agrees to promptly transmit all amounts deducted to the Association.
5. The Board further agrees to accompany each such transmittal with a list of names of bargaining unit members for whom all such deductions were made, the period covered, and the amounts deducted for each.
6. Upon timely demand, non-members may appeal to the Association the payment of the fair share fee pursuant to the internal rebate procedure adopted by the Association, or such non-members may submit each appeal as provided by law.
7. The amount to be deducted from the pay of all non-Association members shall be the total dues as paid by members of the Association, and such deductions shall continue through the remaining number of payroll periods over which Association membership dues are deducted.
8. The Association agrees to indemnify the Board for any cost of liability incurred as a result of the implementation and enforcement of this provision provided that:
 - a. The Board shall give a ten (10) day written notice of any claim or action filed against the employer by a non-member for which indemnification may be claimed;
 - b. The Association shall reserve the right to designate counsel to represent and defend the employer;
 - c. The Board agrees to 1) give full and complete cooperation and assistance to the Association and its counsel at all levels of the proceeding, 2) permit the Association or its affiliates to intervene as a party if it so desires, and/or 3) not oppose the Association or its affiliates' application to file an *amicus curiae* brief in the action;
 - d. The action brought against the Board must be a direct consequence of the Board's good faith compliance with the fair share fee provision of the collective bargaining Agreement herein; however, there shall be no indemnification of the Board if the Board intentionally or willfully fails to apply (except due to court order) or misapplies such fair share fee provision herein.

9. The above fair share fee provisions shall be an exclusive right of the Association not granted to any other employee organization seeking to represent employees in the bargaining unit represented by the Association.
10. The Association and its state and national affiliates shall amend their internal rebate procedures to comply with the constitutional requirements of the current law and any subsequent decisions of a court of competent jurisdiction.

O. Release Time for President

1. Upon sixty (60) calendar days notice to the Board, the Association shall be granted, upon request, released time for the Association President for one (1) period of his/her school day to conduct Association business. As a condition of the granting of this released time, the Association shall reimburse the Board on a monthly basis for a prorated portion of the salary and retirement of the Association President. The scheduling of the released time shall be upon mutual agreement of the Association President and his/her building principal.
2. The President of the Association shall accrue all rights and privileges provided by this Agreement. At the commencement of the semester following the expiration of the released time, the President of the Association will be returned to the same position held prior to the commencing of released time.

ARTICLE V – EMPLOYMENT PRACTICES

A. **Teaching Assignment and Transfer**

While the authority to assign or reassign teachers is, by law, vested in the Superintendent, it is recognized that a given assignment may be voluntary or involuntary in nature. A teacher who is reassigned will, upon request, have the opportunity for a conference with the Superintendent. Should the teacher request to be released from his/her contract, that request will be honored.

1. Assignment/Salary Notice

Prior to the end of the school year, each teacher will receive his/her tentative building and/or grade level assignment for the next school year from the building Principal.

2. Vacancy and Voluntary Transfer

a. A vacancy shall be defined as a new bargaining unit position created by the Board or one which will be open for sixty (60) days or longer as a result of promotion, resignation (if two (2) weeks written notice has been provided), termination, non-renewal, death and/or retirement, that the Superintendent intends to fill.

b. Posting of Vacancies

All vacant or newly created positions, including supplementary assignments, shall be posted for a period of not less than ten (10) working days prior to Board action, during the school year only. Openings shall be posted in a prominent place, frequented by teachers, in each building.

A copy of all vacancy postings will be forwarded to the President of the Association. All posting requirements may be waived or rescinded due to time constraints if mutually agreed upon by the Superintendent and the President of the Association.

During summer months, should the Superintendent be unable to reach the Association President via telephone and email for mutual agreement to waive or rescind posting requirements, the Superintendent may post the position. If requested, a copy of the sent email notification shall be provided to the Association President.

c. Application Procedures

All members of the bargaining unit shall have the opportunity to apply, and be considered for posted, vacant or newly created positions. Individuals who wish to be considered for a vacancy must formally apply, in writing, by the application deadline. Formal written application must

be made within ten (10) days of receipt of notification (or adjusted timelines) if not a summer posting.

During the summer, all members of the bargaining unit will be notified of vacancies by email. Members of the bargaining unit who are interested in the position must apply within five (5) days of the date of the email.

If a position becomes vacant at any point between ten (10) days prior to the first student day through the rest of the school year, the Superintendent may instead employ a long term substitute to staff the position for the remainder of that school year. The position shall be posted pursuant to Article V, A2 prior to the following school year.

d. District-Wide Seniority

Factors such as certification, educational background, previous experience within the teaching area of the vacancy, competency (as measured by the District's evaluation procedure) and the educational needs of the school system will be considered. If all other factors are essentially equal, then system-wide seniority will be the determining factor in awarding the instructional assignment. Upon request, a member of the bargaining unit shall be given specific written reasons as to the factors affecting the filling of a vacancy for which he/she applied.

3. *Involuntary Transfer*

- a. If, due to a reduction in force, it becomes necessary to transfer a teacher from one assignment to another, that transfer will first be made on a voluntary basis. If a properly certified volunteer is not available, then District-wide seniority within the grade level or special area will be used as the basis of the transfer.
- b. Involuntary transfers for any reason other than a RIF shall be limited to two (2) teachers per school year.
- c. A teacher, who is involuntarily transferred, regardless of the reason, will continue to have the right to apply for new or vacant positions as they occur. A teacher who is transferred because a position was closed may request to return to that position should it reopen.
- d. Teachers will not be involuntarily transferred from one position to another without first having an opportunity for a conference with the Superintendent, and being notified in writing at the earliest possible time before the effective date of the transfer.
- e. Teachers who are involuntarily transferred may be excused from the first in-service day upon approval of the Superintendent.

4. *Bureau of Criminal Investigation Records*

In order for a teacher applicant to be employed by the Sheffield-Sheffield Lake School District such applicant must first receive a satisfactory criminal records check in accordance with the requirements set forth in the Ohio Revised Code. For the time period allowed by law or until the criminal records check is received, the Board may employ a substitute teacher in a vacancy and it shall be considered tentatively filled by the teaching applicant.

B. *Assignment of Supplemental Contracts*

1. By April 30th of each calendar year, the administrative office shall send teacher intent forms, which shall provide an area for teachers to indicate their desire to be considered for specific supplemental contracts(s), which shall be issued for duties in addition to regular teaching duties. When the Board updates a listing of supplemental contracts/assignments, a copy shall be given to the Association.
2. Notification of any vacancy for supplemental contracts shall be posted in all school buildings, sent to all Association members' District e-mail accounts, and sent to those teachers who have indicated on their intent forms, their desire to be considered for that supplemental contract. The notification shall include the qualifications and compensation for the position.
3. Such notification shall be posted for at least ten (10) days prior to the Board acting to fill said vacancy (unless adjusted by mutual agreement).
4. Formal application must be made by the teacher within the ten (10) days of the written notification having been sent. All teachers shall receive a listing of all unfilled supplemental positions in their summer paychecks, and in their District e-mail accounts, and new teachers at the time of their employment.
5. After the creation of a new supplemental position, the Supplemental Contract Committee shall meet to discuss job description and salary.
6. An effort shall be made to assign people to supplemental contracts which occur in the same buildings as their regular teaching assignment. However, this shall be the least important consideration for assignment.
7. No certified personnel shall be terminated, non-renewed, reduced in rank or denied other supplemental positions for refusing to accept (a) specific supplemental assignment(s).
8. The Board shall provide to the teacher written notice of its intent to non-renew the teacher's supplemental contract ten (10) days prior to the Board's action to non-renew the contract. Failure of the Board to provide timely notice of its intent to non-renew or to act in a timely manner on the non-renewal of a supplementary contract shall result in the automatic renewal of the contract. Contracts shall be non-renewed by April 30 except spring supplemental contracts, which shall be

non-renewed by June 30. Spring supplementals will include: Drama, Baseball, Softball and Track.

A teacher's performance in a supplemental position shall not have an adverse impact on the teacher's performance evaluation in his/her regular position.

9. The Board shall have the authority to create and/or alter positions under this Article. If a new position is created and/or altered, the Board shall negotiate with the SSLTA covering the rate of compensation.
10. The Board has the right to determine which supplementary positions need to be filled.
11. All supplemental contracts held by individuals not employed as bargaining unit members and all supplemental contracts whose duties are not completed by April 30th shall expire on the date listed on the contract, but the supplemental contracts of non-certified persons may be re-offered to them without first offering the contracts to licensed teachers inside or outside of the District.
12. All evaluations for supplemental contract duties shall be completed by a current administrator with supervisory duties over the supplemental duties and shall utilize the form in Appendix J. Supplemental contract holders shall receive completed evaluations within four (4) weeks of the last contest or activity.
13. Supplemental Contract Committee
 - a. The Supplemental Contract Committee's purpose is to study and review issues related to supplemental positions and to recommend changes for consideration by the Board and Association.
 - b. The membership of this committee shall include four (4) teachers and up to four (4) Administrators, unless mutually agreed to otherwise.
 - c. The committee will be co-chaired by one (1) Administrator and one (1) representative of the Association. The committee shall meet at least five (5) times per school year.
 - d. Members of the committee shall receive one (1) day of compensatory time which may be taken as a release day in one-half (1/2) day increments which can be taken at the members' discretion or at the District Committee hourly rate.

C. Continuing Contracts

1. Teachers eligible for continuing service status shall be those teachers qualified pursuant Ohio Revised Code 3319.08. Continuing contacts status may be granted to the following:

- a. Any teacher holding a professional, permanent or life teacher's certificate;
- b. Any teacher who meets the following qualifications (for teachers initially issued a teacher's certificate or educator license prior to January 1, 2011):
 - i. The teacher holds a professional educator license issued under Section §3319.22 or §3319.222 or former Section §3319.22 of the Revised Code or a senior professional educator license or lead professional educator license issued under Section §3319.22 of the Revised Code;
 - ii. If the teacher did not hold a master's degree at the time of initially receiving a teacher's certificate under former law or an educator license, thirty (30) semester hours of coursework in the area of licensure or in an area related to the teaching field since the initial issuance of such certificate or license, as specified in rules which the state board of education shall adopt;
 - iii. If the teacher held a master's degree at the time of initially receiving a teacher's certificate under former law or an educator license, six (6) semester hours of graduate coursework in the area of licensure or in an area related to the teaching field since the initial issuance of such certificate or license, as specified in rules which the state board shall adopt;

 - ii. The teacher has held an educator license for at least seven (7) years;
 - iii. If the teacher did not hold a master's degree at the time of initially receiving a teacher's certificate under former law or an educator license, thirty (30) semester hours of coursework in the area of licensure or in an area related to the teaching field since the initial issuance of such certificate or license, as specified in rules which the state board of education shall adopt;
 - iv. If the teacher held a master's degree at the time of initially receiving a teacher's certificate under former law or an educator license, six (6) semester hours of graduate coursework in the area of licensure or in an area related to the teaching field since the initial issuance of such certificate or license, as specified in rules which the state board shall adopt.

2. The teacher is required to notify the Superintendent's office by October 1 that they will be eligible for a continuing contract at the end of the school year. If the teacher does not notify the Superintendent's office, the teacher will have to wait another school year to be eligible.
3. Should a teacher attain certification/licensure and education eligibility requirements for continuing service status for a school year prior to the last year of his/her multi-year limited contract, then he/she may exercise the option of applying for continuing service status. Such a teacher who exercises this option must give written notification to his/her building principal no later than September 15 in the year of requesting the continuing service status. Whether to award a continuing contract prior to the conclusion of a multi-year contract shall be at the Superintendent's and Board's discretion.
4. Such a teacher is presumed to have accepted employment under such continuing contract unless he notifies the Board in writing to the contrary on or before the first day of June, and a continuing contract shall be executed accordingly.
5. Nothing in this Section shall restrict the right of a teacher to submit a resignation on or before July 10th, and have the written resignation accepted by the Board.

D. Limited Contracts

The guideline for the length of year recommended for re-employment of limited contract teachers (not eligible for tenure) is as follows:

1. Teachers with less than three (3) years experience in the Sheffield-Sheffield Lake School System will receive a maximum of one (1) year re-employment.
2. Teachers with satisfactory evaluations and minimum of three (3) years successful performance in the Sheffield-Sheffield Lake School System will receive up to a two (2) year limited contract.
3. Nothing in the foregoing section shall be construed to limit the Board from deviating from such guidelines or placing any restrictions upon them to employ any individual for any period of time.

E. Job Sharing

1. Eligibility

Members of the bargaining unit will be eligible to job share provided they hold appropriate certification for the position, and a mutually agreed upon and an administratively approved job sharing plan is in place. Teachers who wish to job share must hold the appropriate certification for that grade level or subject area. They should also have at least three (3) years of teaching experience with the Sheffield-Sheffield Lake City Schools. The building administrator(s) must

approve the job share plan. Logistics and workability of the job share position needs to be considered in the plan. Those teachers who wish to job share must submit the plan to their administrator(s) by March 1st. Within ten (10) working days, the administrator(s) must communicate to the job share teachers if the plan is satisfactory. If the administrator(s) reject the plan, specific recommendations must be given to improve it. If revisions must be made, the job share teachers will have until April 1st to submit the final plan. An extension until April 15th may be given if both job share teachers and the administrator(s) mutually agree that the plan can be revised. If April 15th falls within spring break, the final plan must be submitted on the first Monday following break. The job share plan is to be submitted to the Superintendent by May 1st.

2. *Salary and Fringe Benefits*

Job sharing teachers will receive a prorated portion of the salary they would be eligible to receive if they were working full time. Such teachers may elect to purchase health and life insurance through the Board's group plans, with the Board paying fifty percent (50%) of each job sharing teacher's health insurance premiums.

3. *Sick Leave/Personal Leave*

A job sharing teacher will be permitted to carry forward any previously accrued but unused sick leave. New sick leave and personal leave would, however, be earned and used on a prorated basis for the hours actually worked.

4. *Duty Free Lunch Period/Planning Time*

Duty Free lunch and planning time will be determined on an individual basis in cooperation with the building administrator(s) and job share teachers. In order to assure adequate instructional time, planning time will be divided as evenly as possible. This will be included in the plan.

5. *Non-Teaching Duties*

Non-teaching duties will be determined in conjunction with the building administrator(s) and job share teachers. The duty schedule will be proportional to the length of the teaching day. This will be included in the plan.

6. *Communications*

A communication plan between the job share teachers, the job share teachers and administrators, and the job share teachers and the parents will be developed. The plan must specify that parent communications will be noted in a conference log. Job share teachers will keep abreast of District and building policies, procedures, and events. Job share teachers will be expected to attend all parent/teacher conferences scheduled on the District's regular parent/teacher conference days. They will be required to meet all District in-service requirements including

attending an in-service program for the entire day. Both teachers will attend class field trips.

The teachers shall jointly complete interim reports and report cards. Meetings with parents will be mutually agreed upon and both job share teachers will attend. Job share teachers will meet with parents at a general meeting held before the beginning of the school year to explain the plan.

7. *Seniority/Continuing Contracts*

- a. Job sharing teachers, unless initially employed as a part-time teacher to complete a job sharing team, will be considered to be on partial leave of absence from the school system. Such teachers will, therefore, maintain their seniority and/or continuing contract status.
- b. For seniority purposes, all regular contract (not long-term substitute) teachers employed in a job share position will receive a half-year of school District service credit. They will be considered less senior to any full-time teacher. Further, they will not be eligible for a continuing contract until they work at least two (2) years for the District on a full-time basis and meet the requirements of O.R.C. Section §3319.11.

8. *Reinstatement to Full-Time Service*

Job sharing teachers may request to return to full-time service and will be assigned to full-time vacancies as they may occur. One (1) or both members of the job sharing team may be required to return to full-time service due to reduction-in-force, lack of a partner, failure of the plan, educational needs of the District, etc.

F. *Part-Time Teachers*

1. *Definition*

A “part-time” teacher is a member of the bargaining unit represented by the Association who is regularly employed by the Board for a period of service less than the full work day specified in the Master Agreement.

2. *Eligibility*

Teachers who hold an appropriate teaching certificate will be eligible to be a part-time teacher.

3. *Salary and Fringe Benefits*

Part-time teachers will receive a prorated portion of the salary they would be eligible to receive if they were working full-time, pursuant to state minimum

standards and the Master Agreement. This pro-ration shall be calculated as follows:

- a. A part-time high school teacher shall receive pay based on the following formula: classes and assignments divided by the total class periods.
- b. A part-time middle school teacher shall receive one-sixth (1/6) of his/her appropriate salary schedule placement for each period assigned instruction and/or duty.
- c. An elementary part-time teacher shall be paid a percentage of his/her appropriate salary schedule placement calculated by dividing his/her assigned instruction and/or duty minutes by three hundred forty-five (345) minutes (i.e., the total elementary instructional time).
- d. Such teachers may elect to purchase health and life insurance through the Board's group plans with the Board paying a prorated amount of each part-time teacher's insurance premiums, not to be less than fifty percent (50%). Pro-ration for insurance purposes shall be identical to pro-ration for salary.

4. *Sick Leave/Personal Leave*

Sick leave and personal leave will be earned at the prorated portion of a full-time teacher's sick leave and personal leave benefits.

5. *Non-Teaching Duties*

Part-time teachers may be assigned non-teaching duties proportionate to full-time teachers.

6. *Seniority/Continuing Contract*

Individuals initially employed as a part-time teacher will gain seniority; however, they will be considered less senior to any full-time teacher. Such teachers, as long as they remain part-time, will not be eligible for a continuing contract. Further, they will not be eligible for a continuing contract status until they work for at least two (2) years for the District on a full-time basis and meet the requirements of O.R.C. Section §3319.11.

7. *Establishment of Full-Time Service*

Part-time teachers may request a position to full-time service by requesting a voluntary transfer pursuant to Article V, Section A (2) of the current Master Agreement. Part-time teachers may be required to work up to full-time service based upon the education needs of the District upon a two (2) week prior written notice.

8. *Substituting*

Part-time teachers who voluntarily substitute shall be paid in accordance with Article XII, Section B (4) of the Master Agreement. If substituting for itinerant teachers who travel, mileage will be paid at the IRS rate.

G. Tutors

1. *Teaching Assignments and Transfer*

Assignment and transfer of tutors will not be subject to the provisions in Article V.A.

2. *Issuance of Contracts*

Tutors shall be considered for limited contracts of one (1) year, the provisions in Article V.D notwithstanding. Tutors shall have no expectation of continued employment beyond the length of their contract, and said tutor contract shall automatically expire at the conclusion of their contract without further action by the Board, including nonrenewal of their contract.

3. *Planning Time*

Tutors shall receive a minimum of thirty (30) minutes of daily time for planning and preparation.

4. *Lunch*

Tutors shall receive paid duty-free lunch time in accordance with the Master Agreement.

5. *Extra Duties*

Tutors shall be compensated at the tutor hourly rate for extra duties performed beyond their normal hourly day.

H. Experimental Programs

The Association and the Board agree to promote improved student achievement through innovative experimental programs and assessment strategies. The intent of this Section is to promote educational creativity and student learning, not to displace current programs or staff assignments. The Board of Education and the Sheffield-Sheffield Lake Teachers Association further agree to waive only those sections of the Agreement that may come into conflict with experimental programs and assessment strategies. Teachers who agree to develop and implement programs and assessment strategies that impact the negotiated Agreement for a school year or a part of a school year must obtain the acknowledgement of the Superintendent and the SSLTA Executive Committee before being implemented.

Teachers and administrators who agree to develop and implement innovative experimental programs for a school year commitment or any part of a school year must obtain prior acknowledgement from the building Administration, Superintendent and the SSLTA Executive Committee and shall release the Board, Administration and Sheffield-Sheffield Lake Teachers Association from the enforcement of the Agreement provision waived through their written consent. The Board and the SSLTA shall keep the waiver on file. Should the Sheffield Lake Teachers Association Executive Committee or the Superintendent decline approval, a rationale for such a decision shall be placed in writing.

ARTICLE VI – LEAVES OF ABSENCE

A. Sick Leave

1. Each certified employee shall be entitled to fifteen (15) days of sick leave for each year under contract. These days shall be earned at the rate of one and one fourth (1 ¼) days per month and shall be cumulative. Sick leave, upon approval of the responsible administrative officer of the District, may be used for absence due to personal illness, pregnancy, injury, exposure to contagious disease which could be communicated to others and for family injuries, hospital confinement and/or death in the immediate family. Sick leave may be used in one-half or full-day increments.
2. Five (5) sick leave days shall be advanced to each teacher annually. This advanced sick leave shall be charged against the teacher’s accumulative sick leave.

4. In cases of illness or death in the immediate family, the teacher shall have the option of using sick leave or personal leave.
5. The Superintendent has the right to require documentation after five (5) consecutive days of sick leave used by the employee for the employee’s own personal illness.

6. Once per school year, teachers shall have the option of using two (2) sick days for one (1) day of bereavement leave for any individual not included within the definition of immediate family as defined above in Section 1.

B. Sick Leave Pool

1. Once a teacher exhausts all of his/her accumulated sick, accrued, personal and comp leave, because of a catastrophic accident or illness, he/she may apply for additional sick leave days as described in this provision. This provision applies to, and can only be used for, current actively employed teachers or the employee's spouse, child, and in those cases where a dependent relationship exists and the person resides in the same household as the employee.
2. To qualify for such additional leave a teacher must do the following:

Exhaustion of regular leaves must have been due to absence resulting from a teacher's, or their spouse's or child's (or in those cases where a dependent relationship exists and the person resides in the same household as the employee) catastrophic accident or illness which is life threatening and/or terminal;
 - c. Provide to the Board, if requested and as permitted by law, documentation from the provider of health services a statement of a real threat of life and/or terminal illness for which the teacher or teacher's spouse or child (or in those cases where a dependent relationship exists and the person resides in the same household as the employee) is absent from work;
 - d. Provide to the Superintendent a certification from the treating physician that the leave is for a catastrophic accident or illness, if requested.
3. The donor, at his/her discretion, may designate the recipient of his/her donation as per provisions of this sick leave pool (Article VI, Section B).
4. There shall be a limitation on the transfer of days to a recipient or from a donor as listed below:
 - a. A recipient from the general pool shall be limited to receiving twenty (20) days of additional leave per contractual year.
 - i. Days received shall be limited to the cap above or the days available in the pool, whichever is less.
 - ii. The recipient must donate the number of days received back into the pool once he/she has reached five (5) days of earned accumulated sick days after returning to work.

- iii. Any severance days are to be earned accumulated sick days once the received days have already been donated back to the pool.
- b. No more than forty (40) days may be donated directly to a recipient per school year, unless authorized for additional days by the Superintendent.
- c. A donor of days to the pool has the following limitations:
 - i. The donor must have a minimum of twenty (20) accumulated sick leave days before he/she can contribute.
 - ii. The donor can contribute no more than ten (10) days per school year.
 - iii. Days donated cannot be returned to the donor once he/she has donated them.
- d. There shall be a cap of twenty (20) days available in the pool by doing the following:
 - i. At the beginning of each school year teachers will be asked to contribute to the general pool until September 30. Donations to a specific recipient may occur throughout the year, in accordance with the provisions of the sick leave pool (Article VI, Section B).
 - ii. If during the school year the number of available pool days is reduced to ten (10) days, a notice shall immediately be sent to all teachers to allow them to contribute more days. The time to contribute shall close ten (10) work days after the notice of the need to replenish days was sent.
 - iii. Twenty (20) days left in the pool from the previous school year shall remain in the general pool for the subsequent school year.

C. Military Leave

- 1. If a teacher is a member of the Ohio National Guard, or any other reserve component of the United States Armed Forces, and is called for temporary active duty, he/she is entitled to a leave with full pay for the period or periods not to exceed thirty-one (31) days per contract year, but said person will not accumulate sick leave or vacation leave during this period in accordance with O.R.C. Section §5923.05.
- 2. If the teacher is involuntarily ordered to extend active duty in the military service, the teacher shall be granted military leave without salary for the duration of such service. Upon release from the military and upon application, the teacher shall be re-employed at the start of the next school semester, if such application is made

not less than thirty (30) days prior to the start of the next school semester. The Board may waive the thirty (30) day requirement.

3. Persons employed to replace an employee on military leave must be employed with this understanding.

D. Professional Leave

Teachers have the right to visit another school system or other classes within the Sheffield-Sheffield Lake System under this leave.
2. The teacher shall submit a request for professional leave on the appropriate form to the Superintendent's office no less than ten (10) days before the date of the requested leave. The Superintendent or his appointed designee shall notify the teacher, in writing, of the decision on the requested leave within two (2) days after receiving and considering the request.
3. Under extenuating circumstances, the ten (10) day period may be waived by the Superintendent.
4. Day for the purposes of this provision shall be those days when the Board office is open and staffed.

E. Religious Leave

If, because of religious conviction or membership, a teacher desires to celebrate a holiday on some day other than those dates designated on the school calendar, the teacher may apply for a day of personal leave.

F. Personal Leave

1. All certified teachers shall be granted three (3) days of personal leave. These days shall be non-accumulative and shall be granted for personal business that cannot be scheduled outside the regular school day, and shall not be used to extend the vacation period, excepting in extenuating circumstances as approved by the Superintendent or his designee. Personal leave may be used in one-half or full-day increments. The personal leave provision of this Agreement shall be applicable to teacher year as opposed to calendar year.
2. An employee statement to this effect shall be considered sufficient to warrant granting of personal leave. Notification must be given of the teacher's intent to use personal leave three (3) days prior to the beginning of the leave.
3. When an emergency arises, the three (3) days notice requirement shall be waived for the first such request provided that such request is made one (1) hour prior to the normal employee starting time. For subsequent emergencies, the three (3) days' notice requirement may be waived by the Superintendent of Schools, or if

he cannot be reached, by the building principal. In all instances, a teacher must make such a request and receive the waiver prior to any absence.

4. Falsification of personal leave shall be considered reason for termination of contract.
5. The Superintendent in the event of extenuating circumstances may grant additional days of personal leave.
6. Personal leave shall not be used to work at another job.

G. Parental Leave

Any teacher, who is pregnant or adopting a child less than five (5) years of age shall be, at his/her request and on the conditions set forth below, granted a maternity leave of absence without pay. Upon request, a male employee, who fathered or adopted a child, shall be granted a leave of absence without pay.

1. *Leave Rights*

The parental leave shall begin at any time between a) the commencement of pregnancy or, in the event of adoption, the receipt of custody; and b) six (6) months after the child is born or adopted. Such leave shall be for any period up to one (1) school year, but shall be extended for up to one (1) additional school year at the request of the teacher. A mother or father may use any accumulated sick leave following the birth of a child. For complications during or after the birth of a child that may require extended leave, the mother and/or father may apply for use of the Sick Leave Bank under the provisions of this Agreement.

2. *Application for Leave*

- a. Application for parental leave shall be in writing, and shall contain a statement of the expected date of birth, or in the case of adoption, the date of obtaining custody, the date on which the parental leave is to commence and the date the teacher anticipates return to service. Such return date shall be at the beginning of a grading period unless otherwise mutually agreed to by the Superintendent and the teacher.
- b. Should a teacher elect to request an extension of parental leave, that request must be submitted in writing to the Superintendent forty-five (45) days prior to the start of the extension. Such requests shall specify the return date, which shall be at the beginning of a grading period unless otherwise mutually agreed by the Superintendent and the teacher.

3. *Time for Filing Application*

Application for parental leave prior to childbirth shall be made at least thirty (30) days before the beginning date of the parental leave. Application for parental

leave for the period beginning after the expiration of pregnancy disability leave (which must be certified by her attending physician) or for parental leave related to adoption, shall be made at least thirty (30) days before the beginning date of leave.

4. *Insurance and Reinstatement*

During such leave, the teacher shall continue to be included in the existing hospitalization-surgical group as provided by the provisions of COBRA. The cost for this coverage is to be paid by the teacher at the group rate contracted for by the Board. Prior to the commencement of the leave, the Treasurer shall notify the teacher, in writing, as to the option to continue life insurance coverage at the teacher's cost, and the teacher shall respond in writing within ten (10) working days if the teacher wants the coverage continued. All other provisions of this Agreement which are not in conflict with any applicable state or federal law, or valid rule or regulation adopted by a federal agency or state agency pursuant thereto, shall continue in full force and effect in accordance with their terms.

2. Return to duty of regular teachers after leaves of absence;
3. Suspension of schools;
4. Territorial changes affecting the District;
5. Financial reasons.

- B. The following guidelines shall be followed when implementing the suspension. All employees shall be deemed to have comparable evaluations for the purposes of Reduction in Force.

1. Suspension of contracts shall occur to non-tenured teachers first, and shall be on the basis of last employed, first suspended, by teaching certification/licensure.
2. During a Reduction in Force, teachers have the right to displace any less senior bargaining unit member provided they have the proper certification/licensure. If suspension of contract is necessary for a tenured teacher, that suspension shall be on the basis of last employed, first suspended, by teaching certification/licensure.
3. Displacement rights shall be exercised by all teachers within their respective contract status, i.e., continuing contract (tenured) or limited contract, with no non-tenured teacher(s) exercising displacement over tenured teachers. Displacement shall be limited to the areas applicable to the teacher's certification/licensure.
4. If a teacher has been required to obtain a temporary certificate/licensure to meet the requirements of the current teaching assignment, and holds certification/licensure in other teaching fields, that teacher shall be placed with the appropriate contract status and, according to seniority certification/licensure areas shall have displacement rights.
5. Seniority shall be defined as the continuous employment of a teacher beginning with the first date on which a teacher reported for duty. Continuous employment shall include all time on sick leave, all time on Board approved leave of absence, all time on military leave of absence, all time on disability retirement, to a maximum of five (5) years, and all time during suspension, if the teacher is reinstated.
6. Certification/Licensure shall be defined as (a) teaching area(s) appearing on a teacher's State of Ohio certificate/license. Teachers of grades 7 and 8 shall be

 - a. If two (2) or more teachers have the same seniority and contract status, then the following tiebreakers shall be applied in order of application:
 - i. Total bargaining unit service in Sheffield-Sheffield Lake School District, which shall include regular teaching and any Board-approved long-term substitute teaching positions.
 - ii. Date of Board action to hire for bargaining unit positions. Beginning with an employee hired after July 1, 2015, the Superintendent/Designee and SSLTA President/Designee shall conduct a “pill draw” before the first day of the school year to determine which of these employees carries forward the most seniority. The results of this “pill draw” shall be listed on every seniority list thereafter.
 - iii. Total Ohio public school teaching experience as verified by STRS service credits.
 - iv. Flip of coin.
 - b. For part-time teachers and tutors, seniority will be calculated based on the number of school days worked. Tutors shall be placed on a separate certification-seniority list. Time spent as a long term substitute would be computed as District seniority upon employment as a regular teacher, provided that they worked more than 120 continuous days in a school year in the District.
 - c. Tutors shall be placed on a separate seniority list for purposes of reduction in force. Tutor seniority shall be determined by the length of continuous service of the individual tutor in the bargaining unit. Tutors shall be eligible for recall only to tutor positions following a contract suspension due to a reduction in force.
 - d. If two (2) or more tutors have the same length of continuous service, then seniority will be determined by:
 - i. Total bargaining unit service in Sheffield-Sheffield Lake School District, which shall include regular teaching and any Board-approved long-term substitute teaching positions.

- ii. Date of Board action to hire for bargaining unit positions. Beginning with a tutor hired after July 1, 2015, if multiple tutors are hired on the same date by the Board of Education, then the Superintendent/Designee and SSLTA President/Designee shall conduct a “pill draw” before the first day of the school year to determine which of these employees carries forward the most seniority. The results of this “pill draw” shall be listed on every seniority list thereafter.
 - iii. Total Ohio public school teaching experience as verified by STRS service credit.
 - iv. Flip of coin.
- e. If a tutor becomes a full-time teacher and a subsequent RIF occurs, the prior service in the District of the tutor shall be included on the Seniority list. These bargaining unit members shall have displacement rights as a tutor.
- f. A teacher who has been released because of staff reduction shall, if he/she desires, be placed on the substitute teacher list. These teachers shall be given priority consideration for any long-term substitute opportunities.
- i. Provisions for early or normal retirement shall be made for the teacher who may wish to do so, consistent with the established State Retirement policies.
 - ii. Any teacher unemployed as a result of staff reduction shall be recalled in inverse order of being released, provided the teacher is certified for the vacancy.
 - iii. While there are previous teachers of the District who are unemployed as a result of staff reduction, as defined herein, and who possess proper certification to fill any vacancy which may arise, no teacher new to the District shall be hired to fill said vacancies. However, all vacancies shall be posted and internal candidates shall be given priority consideration before any position is filled from the recall list.
 - iv. The Board shall give written notice of recall, by registered mail or certified letter, to the teacher at the last known address. It shall be the responsibility of the teacher to notify the District Treasurer of any change of address.
 - v. Within ten (10) days of the receipt of a written offer to return to employment, the teacher shall accept the position by replying in writing, or it shall be determined that he/she has declined the position. No teacher new to the District shall be hired for a

position for which a teacher, unemployed because of staff reduction, is certified until the previously released teacher has been offered an opportunity, in writing, to return to active employment, in accordance with this Section.

- vi. Teachers returning to employment after a reduction in staff shall resume their previous contract status.
- vii. While on suspension of contract, a teacher will have the option to remain an active participant in all non-health related fringe benefit programs by contributing thereto the amount necessary to maintain such fringe benefits [provided this is acceptable with the provider(s) of the fringe benefit packages]. A teacher on suspension will be entitled to maintain health benefits under the terms and conditions established in COBRA.
- viii. All bargaining unit members placed on the recall list prior to the 2015-2016 school year and who remain on the list shall be considered as having comparable evaluations for the purposes of recall.
- ix. A teacher shall remain on the recall list for a period of four (4) years unless:
 - a) The teacher requests to be removed from the recall list;
 - b) The teacher fails to respond within ten (10) days as noted in f. v. of this Section to an offer of recall or the notification letter is returned to the District as not at this address with no forwarded address;
 - c) The teacher refuses an offer of recall to a like (full or part-time) position for which he/she is certified;
 - d) The teacher accepts an Ohio Public School teaching position at an equal or better rate of pay. The teacher must notify the Superintendent by email each school year regarding the teacher's employment status and rate of pay by September 1. If the Superintendent does not receive notice of the teacher's employment by September 1, the teacher shall be removed from the recall list.
- x. A full-time teacher who has been reduced but accepts an offer of recall to a part-time certificated position shall be eligible to be recalled to a full-time position for which he/she is certified prior to any other teacher on the recall list.

- xi. The Board of Education shall not contest unemployment compensation requests for employees whose contracts are suspended due to a RIF.
 - 8. During the implementation of a RIF, no reassignment, transfer, or reclassification shall occur that will cause a more senior employee to be laid off before a less senior employee.
 - 9. No transfer, reassignment, or reclassification shall be made during a period of RIF that prevents the recall of an employee on layoff status.
 - 10. When there exists a possibility for staff reduction, the Superintendent shall give notice of this possibility to the Association sixty (60) days prior to the Board taking action to reduce staff. Notification by the Superintendent shall be given to the Association and to each teacher who might be reduced in force at least thirty (30) days prior to the Board taking action to reduce staff.
 - a. The Superintendent and the Association shall confer on the reason(s) for the Superintendent making recommendation for the reduction in staff within fifteen (15) days of receipt of the notice to the Superintendent's possible recommendation of reduction in staff for Board action.
 - b. A general certification-seniority list will be compiled by the Administration and sent to the LPDC by October 15 of each school year for verification. After verification from the LPDC, the draft list shall be sent to all bargaining unit members including the Association President by November 15. Any final corrections shall be sent to the Superintendent by December 15 and an updated certification-seniority list shall be given to the Association and posted in the Superintendent's office by January 15 of each year. The list shall include areas of certification, contractual status, date of hire, results of "pill draw", STRS service credits and District-wide seniority.
 - c. This list shall also include the names of all non-tenured teachers in the District, giving area(s) of certification and present teaching and building assignment(s).
 - d. Each teacher, whose contract is to be suspended, and the Association, shall be provided copies of these listings.

Professional Growth Plan

The Professional Growth Plan helps the teacher identify areas of professional development that will enable the teacher to enhance practice. The teacher is accountable for implementing and completing the plan. The plan must align to any district and/or building improvement plan(s). The Professional Growth Plan is developed annually. It is to be reviewed regularly and updated as necessary based on collaborative conversations between the evaluator and the teacher.

The Professional Growth Plan should reflect the evidence available and focus on the most recent evaluation and observations. The Professional Growth Plan should be individualized to the needs of the teacher. The school or district should provide for professional development opportunities and support the teacher by providing resources (e.g., time, financial). The Professional Growth Plan must be clear and comprehensive. It is aligned to the most recent evaluation results and proposes a sequence of appropriate activities leading to progress toward the goals.

Teacher Performance Evaluation Rubric

The *Teacher Performance Evaluation Rubric* is to be scored holistically. This means evaluators will assess which level provides the best *overall* description of the teacher. The rating process is to occur on completion of each 30-minute observation and post-conference. To determine the rating for each 30-minute observation, the evaluator is to consider evidence gathered during the pre-conference, observation, post-conference and classroom walkthroughs, if applicable. Note that when completing the performance rubric, evaluators are not expected to gather evidence on all *indicators* for each observation cycle. Likewise, teachers may, but are not required to, bring additional pieces of evidence to address all *indicators*. The professionalism section of the rubric may use evidence collected during the pre-conferences and post-conferences as well as information from the Professional Growth and/or Improvement Plan, if applicable.

A written Improvement Plan is to be developed when an educator has a Final Holistic Rating of **Ineffective**. However, districts have discretion to place any teacher on an Improvement Plan at any time based on deficiencies in any individual component of the evaluation system. The notice requirements for being placed on an Improvement Plan, the components of the plan and the implementation process for the plan may be subject to the terms of a collective bargaining agreement.

The purpose of the Improvement Plan is to identify specific deficiencies in performance and foster growth through professional development and targeted support. If the teacher does not take corrective actions in the timeline specified in the Improvement Plan, the evaluator may recommend the teacher be dismissed or continue working under the plan.

Ohio School Counselor Evaluation System

Professional Growth Plan

Professional Growth Plan

On an annual basis, a school counselor will develop two goals for professional growth and development; one in relation to the six standard areas, and the second in relation to the Metric of Student Outcomes area. Professional development should be individualized to meet the needs of the school counselor and specifically relate to the identified areas of refinement as identified in the school counselor's evaluation. The development of the plan can be informed by self-assessment, previous evaluation results, or other relevant data that will assist the school counselor in setting appropriate goals for professional growth. The evaluator should recommend professional development opportunities and support the school counselor by providing resources (e.g., time, financial).

Final Summative Rating

Final Summative Rating of School Counselor Effectiveness

Once you determine a rating for each of the rubric areas, based on the available evidence from multiple interactions, look at the larger picture of performance across all areas of the rubric. Although all areas are important for effective school counseling practice, you may find it appropriate to more strongly weight patterns of behavior in one area over another. The key point is that the evaluator should consider no one area in isolation, but should analyze each in relation to all other areas of performance. Determine which of the four performance levels is most appropriate for the school counselor based on this holistic process.
